A Bursted Bank.

New Whatcom, Wash. Sept. 14.— fleavy withdrawals caused the suspen-gion of the Bennett National bank to-day. The liabilities are about \$50,000, while the assets are said to be more than sufficient to meet all claims.

The Treesury. Washington, Sept. 14.—The treasury gold reserve at the close of business to-day stood at \$112,578,289. The day's withdrawals at New York were \$80,-

Chicago General Markets.

Chicago, Sept. 14.-Wheat prices changed irregularly within narrow limits this morning, but traders were somewhat indifferent. Only light business was transacted, outside orders being more than usually scarce, whilst scalpers were doing less than an ordinary business. The world's shipments were quite heavy at 7,320,000 bushels, that being a factor at the commencement of the session, prices then declining slight-ity, but very soon afterwards railying on moderate purchases. Receipts in the

Springfield without giving a good account of himself. County officials are afraid to raise a hand except to protect the town. They are not accused when Judge Knox, on behalf of the the almost moral certainty of failure. County Judge Thompson has written for publication an appeal to all good citizens to aid him in upholding law and order. The general feeling is in favor of letting matters take their course for the present, and not to inslame the excited mobs of the country. The people of this (Washington) county voted hast fall to make the turnpike free throughout the county. As the pikes are owned by commanies, it is necessary for another vote of the people to assess taxes to purchase the pikes. This vote has not yet been taken, and the authorities cannot legally stop the toll-gathering. This the people of the county do not understand, and, being out of patience at the delay, they have risen in rebellion and delay, they have rises in rebellion and torn down about all the toll gates in the county. This rioting business has been going on for two weeks. county authorities, whom the mob-blames, live here this town has been threatened with destruction.

stake place at 2 o'clock today filled Judge High grant court to the jam with spectal forms. Higher to the jam with spectal forms. He was the first one called up, when Judge Knox, on behalf of the private funeral services, the private funeral services. Haight was the first one called up, when Judge Knox, on behalf of the court for mercy. He was sentenced to four years in the penitentiary. It will be remembered from what has heretofore appeared in The Heraid, that Haight was convicted of burgiary with littent to commit rape upon Mrs. Jane C. Stapley of Toquerville. His Zitorney made a motion for a new trial, which was overruled and an appeal will perhaps be taken to the supreme court. James J. Eooth was next called up for sentence for the rape of Eleanor Bigler. When asked by the court if he stand in his own behalf; he would like to make a statement at this time and prosecutirs, with the exception that he did not drug the gril, but in a friendly way gave her a drink of wine and closed by saying farmatically that as God was his judge he was not guilty.

He did not drug the judgement of the court should not be pronounced upon him, Booth said that he had been advised by his counsel not to take the stand in his own behalf; he would like to make a statement at this time and prosecutirs, with the exception that he did not drug the gril, but in a friendly he did not drug the gril, but in a friendly he did not drug the gril, but in a friendly he did not drug the gril, but in a friendly he did not drug the gril, but in a friendly he did not drug the gril, but in a friendly he did not drug the gril, but in a friendly he did not drug the gril, but in a friendly he did not drug the gril, but in a friendly he did not drug the gril, but in a friendly he way gave her a drink of wine and closed by saying farmatically that as God was his judge he was not guilty.

He for each read and the he had been advised by his counsel not to take the stand in his own behalf; he would like to make a statement at this time and provided the coun

termining what ample resources he has now at his command to strike a decisive blow at Spanish rule in Cuba; Macce, perfectly well entrenched in the fastness of the Ouzzo mountains in Pinar Del Rio, is ready to receive the onstaught of all the Spanish forces, which are said will be thrown upon him as soon as new reinforcements arrive from Spain and will no doubt repel them, as he formerly did when they tried to disioned him from the Cacarajicara and Robi hills. Nevertheless, it cannot be said that Weyler remains idle, for ne is daily occupied in signing death sentences on the criminals and incendiaries which are constantly executed publicly; issuing decrees forcing the circulation of paper money, which is refuctantly accepted and is expected to be flatly refused in the near future, thus originating a conflict in our money market, which will be of serious consequences; giving orders to convert our great foundling asytum, a private charitable institution, into a military hospital and throwing out the little waifs from their comfortable quariers into a close-walled, unheated building.

When the rebels entered the town of Bolondron the other day, they carried away eighty pack mules loaded with effects.
All the garrison of the town of San Francisco De Paula, within sight of Havana, has surrendered to Baliomero Acosta, who attacked it with 200 men, and after laying the greater part of the town in ashes, carried away all the

AMUSEMENTS.

music, and that nothing but monster events any longer attract attention. Many friends warned Miss Snyder of this condition and told her that the only way to ensure a big attendance was to sell out the house in advance; but it is pleasant to know that money results were secondary in Miss Snyder's mind, and that the desire to give a pleasant entertainment, and incidentally to show her friends what advancement size had made in her art, were the foremost considerations. The vancement she had made in her art were the foremost considerations. The programme contained considerable variety, and many of the numbers were warmly applauded, though the audience showed the good judgment of no according recalls to everything. Mis Shyder was down in five numbers, he hest work being done in Bemberg. "Nyuphs and Sylvains:" for this six was recalled, when she gave to her ow excellently played accompaniment little gem of her own composition. He voice, a clear high seprano, shows that it has gained in sweetness immensel. voice, a clear high seprano, shows that it has gained in sweetness immensely by her study but hardly so much in strength. She took E hat above high C two or three times last night with eleverness and precision. The one thing she needs more than another is animation in her singing. She was supported excellently by that crack respectively. animation in her kinging. She was supported excellently by that cruck organization, the Harmony club, who have seldom sang better. Both their selections were warmly encored. A hit was made by Miss Oliver for a very clever rendition of the difficult second Rhapsody by Liszt, one of Paderewski's favorites; Miss Tyler sang a duet with Miss Snyder very prettily; Miss Elva Snyder accompanied with taste. With Miss Snyder very prettiny; Miss Elva Snyder accompanied with taste and also played a brief solo; Miss Ruth Eldredge was down for two numbers, in which she acquitted herself well, though "Robert of Slelly" is too long

THE GODDARD RECITAL-Mr. H. S. Goddard states that all the fickets for his pupils' recital next Tuesday evening at the Congregational church have then issued.

JUVENILE OFFENDERS. There was a vacant look about the court room of Justice Wenger yesterday morning. The monotony of empty benches was only broken by the young and tender forms of seven small boys. These were the infantile pillerers who recently denuded the Franklin school of a large assortment of lead pipes, old iron and copper latenings. Four of them, Thomas G. sortment of lead pipes, old fron and copper nationings. Four of them, Thomas G. Baker, Addison D. Parry, William Sanborg and Sydney Dandels, had all been in the toils before, but Morris Higgins, who joined them is the pillaging escapade, was a sort of turtle dove among a fock of goslings. The first four were turned over to the district court, which, according to all the formulas of police court etiquette, will send them to the reform school. In the case little Higgins' sentence was suspended.

MISCELLANEOUS OFFENDERS, Raiph Clark will appear at the police court temorrow to fell why he killed a dog that had been registered. He was arrested yesterday on the complaint of the man who owned the defunct ennine. Frank Henting, Frank Marion, Clement Evens, John Martin and J. E. Stockwell were tried yesterday for deserting the streets after dark in favor of box cars. Several patrolmen went on a still hunt early yesterday morning for box car.

SOME GOSSIP.

Sergeant Jim Adams denies with a fine footing of rheteric the instituation that he is the only McKinley man on the force. If m says some of the patrolmen are besoming such enthusiastic McKinleyires that they are going to shave off their fierce, brouze mustactes in order to resemble the Napoleon of Canton.

Someone, whose name is suppressed, suggested that they had better do all their shaving before the Ohio Corsican was elected, as they wouldn't have any money efficient Columbia report that provincial
